sake

Gekkeikan Horin Junmai Daiginjo (300ml) 47

Mild fruity aroma with delicate notes of over-ripe cantaloupe, honeydew and honeysuckle. Round and smooth on the palate, with a medium, creamy body. Finishes long and smooth, with a hint of pear. Yamada Nishiki and Gohyakumangoku blend.

Suzaku Junmai Ginjo (330ml) 37

Very pleasing aromas of fruit. Gentle sweetness of lychee and bubblegum, and also a surprising tropical feel with notes of pineapple and mango on the nose. The palate features rice and hints of apple. The finish short, dry and refreshing.

Sho-Chiku Bai Nigori (375ml) 27

It is coarsely-filtered and is one of the sweeter types of sake. It is especially delicious with bold or spicy foods. The bottle should be shaken each time before pouring due to the high rice content that settles in the bottom of the bottle. Character: Bold and sweet. Rich and robust flavor with distinctive rice aroma.
